Collaborative Care For Melanoma & Skin Cancer

Saturday Feb 20, 2027
7:30 am – 12:00 noon

Join us for a half-day symposium focused on academic collaborations advancing multidisciplinary care and novel therapies in melanoma and skin cancer designed to enhance collaboration among medical professionals.

Connect with a broad network of clinicians—including dermatologists, surgeons, oncologists, APPs, residents, fellows, researchers, and allied health professionals—for collaboration on complex cutaneous malignancies.

Where:

Goldberg Auditorium, 2nd Floor
